<sup>&</sup>lt;sup>a</sup>Annual Percentage Yield

## **Balance Computation Method**

We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

<sup>\*</sup>The interest rate and annual percentage yield may change after opening.

<sup>\*\*</sup>A penalty may be imposed for early withdrawal.

<sup>&</sup>lt;sup>†</sup>Federal regulation restricts the account holder's ability to make no more than six pre-authorized, automatic, online, or telephone transfers per month from a savings account.
